IDENTIFICATION OF COPENDING APPLICATIONS

Sir:

The attention of the Patent Office is drawn to the copending applications listed on the attached Form PTO-1449 which may contain technical subject matter related to that of the present invention.

Copies of each of the applications are attached. In compliance with the concise explanation requirement under 37 CFR § 1.98(a)(3) for foreign language documents, a copy of the English-language translation for Reference BF will be filed as soon as it is available.

This identification is not to be construed as a waiver of secrecy as to the cited applications now or upon issuance of the present application as a patent. The Examiner is respectfully requested to consider the cited applications and the art cited therein during examination of the present application.

The Commissioner is hereby authorized to charge any additional fees associated with this communication or credit any overpayment to Deposit Account No. 50-1446.

Respectfully submitted,

Stephen P. Burr
